C. Public Comments- None

1:07

D. Discussion of Potential Property Acquisition for the Future Columbia Falls Library

- The Board reviewed and discussed the Letter of Intent from the City of Columbia Falls proposing appropriation of $1 million in urban renewal tax increment funds to support the relocation of the Columbia Falls Branch Library.
- City of Columbia Falls Finance Director responded to questions from trustees regarding the proposed funding allocation.
- The Board discussed potential options for the deposit and management of the funds.
- Trustees discussed the importance of developing an interlocal agreement between the Library Board and the City of Columbia Falls to define the terms, responsibilities, and project details associated with the funding.
- The Flathead Library Foundation noted support for the project.
- Director Dugan reported that she will communicate with the Columbia Falls Library Association regarding the project and proposed funding arrangement.

DRAFT

31:05
