

## CIRCULATION OF MATERIALS TO ORGANIZATIONS

The Board of Trustees of the Flathead County Library System is committed to providing service to as many as possible of those patrons who are unable, due to special circumstances, to come to the library. Such patrons may include, but are not limited to, those in assisted living facilities, nursing homes, retirement homes and preschool and daycare facilities. Any of these organizations may apply for an "organization card."

Cards will be issued to organizations in Flathead County upon request, after the receipt of a signed letter by an authorized representative of the facility. Materials are checked out for the standard loan periods and any fines are typically waived. However, the organization is responsible for any fees associated with damaged or lost materials. Selection and return of materials is handled by the facility's personnel.
