

FLATHEAD COUNTY LIBRARY CIRCULATION OF MATERIALS TO ORGANIZATIONS

Flathead County Library is committed to providing service to organizations with patrons who are unable to come to the library. Such organizations may include, but are not limited to assisted living facilities, nursing homes, retirement homes and preschool and daycare facilities. Any of these organizations may apply for an "organization card."

Cards will be issued to organizations in Flathead County upon request, after the receipt of a signed letter by an authorized representative of the facility. Materials will check out for the standard loan periods and the organization is responsible for any fees associated with damaged or lost materials. The organization's personnel will select and return materials.
