ImagineIF Offers New Gaming Collection for Checkout

Kalispell, MT – ImagineIF Libraries is excited to announce a new gaming collection for checkout at the Kalispell location called Gaming Connect: Tabletop Game and Hobby Lending. This new collection includes modern board, card, and puzzle games that focus on strategy, skills, and role-playing. In addition to games, ImagineIF Kalispell also offers a Gaming Connect Reference Collection filled with books and accessories to expand your knowledge and RPG (Role Playing Game) worlds. Stop by ImagineIF Kalispell to browse the collection, or place a hold to ship a game to either the Bigfork or Columbia Falls ImagineIF locations for checkout.

The resources offered at ImagineIF Libraries are designed to inspire lifelong learning and enrich the lives of everyone in the community. While the board games in ImagineIF's collection are fun, they also require the player to strategize, engage in storytelling, think creatively, and spend quality time with friends or family. Moreover, playing board games stimulates brain function by practicing problem solving, decision making, goal setting and patience.
