

Exciting Possibilities Ahead: Flathead County Library Explores New Home at former Kalispell Center Mall!

Kalispell, MT – Big things could be on the horizon for Flathead County Library! The Library Board is thrilled to announce that we've taken an important step toward securing a new home for our main branch in the heart of Kalispell. The Board has signed a Letter of Intent (LOI) with SHOP Development to explore the purchase of a 2-acre parcel in the northwest corner of the former Center Mall complex.

While this LOI is preliminary, it marks an exciting first step towards expanding and enhancing library services for our growing county. At this stage, no formal commitment has been made, and funding remains a challenge—but we're eager to share this encouraging news with the public and invite donors, partners, and community members to help make it a reality.

"This is a huge opportunity for us," said [Library Director or Official's Name]. "This central location along the Parkline Trail could be a perfect fit, offering space and parking for a more accessible, modern, and dynamic library for everyone to enjoy. While the county can't provide funding at this time, we're looking to our incredible community for input, enthusiasm, and support to help bring this project to life."

To take a behind-the-scenes tour of the current Kalispell branch library, ask questions, share your thoughts, and offer support, please contact:
