Teri Dugan <tdugan@imagineiflibraries.org>

I hope that the federal executive initiative to cut or curtail IMLS funding will be on the agenda of the Mar 27, 2025 FCL Board meeting. With budget season in progress, an update on any pass through funding would be useful. Since FCL Trustee Cuthbertson is also on the MT State Library Commission, she may have broader insight into the potential impact of this initiative. Maggie Davis
