Dear Administrator Dugan,

We, in Bigfork, utilize the "Hot Spots" for the education of our children; to connect with agencies for services; & to connect with our families. It's imperative they are available in Bigfork.

Please do not eliminate them in Bigfork.

I will gladly raise money for them. I have already contacted Governor Gianforte for discretionary funds.

There are other sources, to seek out, to pay for the Hot Spots.

Please respond to me at: mtmegawatt@gmail.com.

Regards,
Mary Danford
