Dear Bigfork Community Development Foundation,

We, the Board of Trustees of the Flathead County Library, thank you for your generous contribution, making it possible to pave the parking lot of our new library branch in Bigfork. Your support of this much needed improvement is monumental. The new and enlarged library is such a benefit to the Bigfork community and adequate parking is essential.

The Bigfork community made this new library happen. Library and community supporters drove the program to its completion. You have been a large part of this effort and we applaud your community service.

Again, thank you for your contribution to Bigfork and to the Flathead County Library system.

Sincerely,

David Ingram, Chair

Heidi Roedel, Trustee

Carmen Cuthbertson, Vice Chair

Jane Wheeler, Trustee

Doug Adams, Trustee
