Dear Daniel,

We, the Board of Trustees of Flathead County Library, thank you (and Shop Development) for your generosity in making it possible for the Friends of the Flathead County Library to hold their annual book sale on your property. This event is important to our community in so many ways. Your contribution to making this sale happen was pivotal.

The Friends book sale makes it possible for community members to donate books they no longer need or want, subsequently providing a way for others to purchase books at a reasonable price. The funds the Friends make from this event (over \$17,000 this year) are donated to support library programming throughout the year.

Again, thank you for your community spirit in providing a venue for this sale. We look forward to a future in which the Flathead County Library and Shop Development partner to serve the Flathead Valley.

Sincerely,

David Ingram, Chair

Heidi Roedel, Trustee

Carmen Cuthbertson, Vice Chair

Jane Wheeler, Trustee
