What do you think - Request for Shopper in BF

From Teri Dugan <tdugan@flatheadcountylibrary.org>

Date Wed 1/7/2026 2:38 PM

To Rhonda Hawkins <rhawkins@flatheadcountylibrary.org>

After a detailed discussion with Mr. Myers, we have purchased a display pocket for installation at the Bigfork Library to hold loose copies of *The Shopper*. Additionally, Teri is coordinating with the *Daily Inter Lake* to arrange bulk delivery of *The Shopper* to the Bigfork location, if that service is available.

I think this library is one of the best I've
been to. The staff is very kind and the teen zone
has to be the best part. I love how inclusive and happy
the atmosphere is! By far, my favorite place to be.

Patron is thankful for us that we have ways for her to make copies; her copier went down and she has a meeting this afternoon that she needed copies for.
