

# SUMMER AT THE LIBRARY

## WORKSHOP PARTICIPATION

**705**

kids (6-10 years)

**943**

early learners (3-5 yrs)

Summer workshops are inspired by kids' interests and encourage participants to experiment with unique materials that are not typically found in the home. Children are given the opportunity to explore concepts in a setting that promotes learning through hands-on play.

## PROGRAM ATTENDANCE

**750**

play expo participants

**469**

babies at storytime

**390**

pool storytime attendees

Play Expo events in all locations provided a full day kick-off experience. Pool storytimes were popular in Kalispell and Columbia Falls no matter the weather! Baby storytimes at all locations were well attended, especially at Depot Park in Kalispell.

## RESOURCES

**57,081**

children's materials circulated  
June-August

**1,186**

gameboards taken home

Library resources taken home support family engagement and learning throughout the summer.
