I Love how this Library is still a place for youth
to go to do recreational activities (the
teen gaming console) I think more ~~the~~
stuff like that is necessary in this small town

I recently read the book The Sunflower
Boys after reading a very negative review from
another library patron. I could not disagree
more w/ their assessment! There was NOTHING
remotely "pornographic" in this book.
It was a touching story of 2 brothers

50¢ is very high for Credit Card
Transactions. Most Merchants Charge 3-5%.
5% of 500 = 25¢. Please try a different way.
