Having just read There are Rivers in the Sky, I came into the library today w/ Mesopotamia on my mind. To my delight, I found (2) new books on the shelves on this subject. I am blown away by the diversity found in this library. Thanks!

You guys must not care about getting
paid for ^{use of} ~~using~~ the printer. Make a common
sense decision and let people pay upstairs
Almost no one is going to remember to go
downstairs and pay on such a small ticket item.
