Flathead County Library Announces New Fall Programming for Kids and Teens

Kalispell, MT – Flathead County Library is kicking off the fall season with new and returning programs for children and teens at library locations throughout Flathead County.

Beginning September 1, 2026, story times for babies, toddlers, and preschoolers will be offered at **10:30 a.m. at all Flathead County Library locations**. Storytime is a fun way for young children and their caregivers to enjoy books, songs, rhymes, and activities while connecting with other families.

The library is also bringing back **Wednesday Workshop**, a hands-on STEAM program for school-aged children. STEAM stands for science, technology, engineering, art, and mathematics. Each workshop gives children the opportunity to explore these subjects through fun, creative activities.

The complete fall children's programming schedule is available at: flatheadcountylibrary.org/programs/kids/.

New and Returning Programs for Teens

Flathead County Library is also expanding its programming for teens in grades 6–12 this fall. Popular programs **Teen Fandom** and **Teen Level UP** will return beginning September 1, 2026. The library is also introducing several new programs, including:

- **Teen Craft Hub**
- **MTG Teens**
- **Teen DIY Take & Make Drop-In Class**
- **Tiny Tutorials**
- **Teen LEGO STEM Club**

Switch Days, featuring Nintendo Switch gaming in the Teen Zone, will also return at the Kalispell and Bigfork library locations.

For a complete schedule of teen programs, including dates, times, and locations, visit flatheadcountylibrary.org/programs/teens/.

With programs for babies through teens, Flathead County Library offers opportunities for young people to learn, create, explore, and connect throughout the fall.

Flathead County Library provides educational and recreational materials, programs, and resources to promote literacy, inspire lifelong learning, and enrich the community. For more information, visit flatheadcountylibrary.org.
